Orders received will be processed as soon as possible. Thank you for your patience.

### **International Shipping Rates**

International shipping rates are based on size, weight, and value of the shipment. Please contact us for current International shipping rates. Shipping rates will be calculated on your invoice just prior to your purchase authorization. Shipping charges are subject to change.

### **International Customs Fees and Duties**

### **Important message about our Inventory**

Because of the high volume nature of our business, our vast inventory is constantly turning. Product shows up daily and occasionally we do sell out of an item. We are constantly updating our database; however, certain orders may be processed before the vintage can be changed or an out of stock situation can be noted. Please be advised that vintage changes and out of stock situations are subject to change without notice. The vendor reserves the right to make appropriate substitutions when necessary. You may request we notify you before doing so by checking "Do Not Sub" during checkout. We will then contact you if necessary. We appreciate your understanding and look forward to serving you.

We reserve the right to correct errors on pricing, vintage, and to limit quantities.
